Pharmacies

Sorrelwood Pharmacy remains a preferred pharmacy in 2027. Mail-order supplies of 90 days cost two and a half times the 30-day amount.

If you get help paying for your drugs

If you qualify for Extra Help from Medicare during the year, your premium and what you pay at the pharmacy will be lower than the amounts in this notice, and we will write to you with the new amounts.

How your premium is paid

If your premium is taken from your Social Security payment, the new amount will be taken starting with the January payment. If you pay us directly, your January bill will show the new amount.
