Teacher comments

Math (Mr. Vance). Nora is recommended for Math 7 Accelerated next year.

Science (Mrs. Hadley). Nora's science fair project on music and swim times was one of the strongest in the grade. She should trust her first answer on tests.

English Language Arts (Ms. Tran). A thoughtful reader and a careful writer. I would like to hear her voice more in class discussion.

Social Studies (Mr. Okafor). Strong map work and a well-argued essay on the Silk Road. Homework came in late twice in the second quarter.

Physical Education and Health (Coach Reyes). Excellent effort all year. She swims for a club team and it shows in her endurance.

Art (Mr. Abiodun). Her self-portrait was chosen for the spring hallway display.

Promoted to grade 7.
