Condition

- No. 1 has a repaired two-inch tear at lower left and was relined in 1996. The value given takes the repair into account; without it the painting would be worth about $9,000.
- No. 5 is framed under plain glass and hangs opposite a window. Reframe with ultraviolet-filtering glass.
- The other works are in good condition.

Works by Lindgaard have sold at regional auction between $1,200 and $11,000 in the five years to this date.
