Re: Your naturalization - closing of our files

November 28, 2022

Yulia A. Zaretskaya and Pavel I. Zaretsky

8-17 Larkmoor Terrace, Fair Lawn, NJ 07410

Dear Yulia and Pavel,

Congratulations again. On November 18, 2022 you both took the Oath of Allegiance before the United States District Court for the District of New Jersey in Newark, and the court granted your petitions to change your names. For your records:

	Yulia	**Pavel**
Name before the oath	Iuliia Zaretckaia	Pavel Zaretckii
Name after the oath	Yulia Andreevna Zaretskaya	Pavel Igorevich Zaretsky
Certificate of Naturalization No.	41507268	41507275
A-Number	A208-417-563	A208-417-559
Date of naturalization	November 18, 2022	November 18, 2022
Permanent resident since	June 8, 2017	June 8, 2017

The certificate is the only proof of the name change. It shows both names. Do not laminate it, and do not send the original anywhere except with a passport application.

Timofey

Your son Timofey (A208-417-571), born April 9, 2013, was a lawful permanent resident under 18 living in your custody on November 18, 2022. He became a United States citizen automatically on that date under section 320 of the Immigration and Nationality Act. No document was issued to him. Apply for his US passport with his birth certificate and its certified translation, both of your certificates, and his permanent resident card, which he keeps.

His card and Social Security record spell his name ZARETCKII, TIMOFEI. A passport may be issued in the spelling of the certified translation of his birth certificate if you attach a short

explanation. We recommend filing Form N-600 for a Certificate of Citizenship at some point before he turns 18. It is optional.

Vera

Vera was born in New Jersey and has been a citizen since birth. Nothing changes for her.

Two citizenships

The United States does not require you to give up Russian citizenship. Leave and enter the United States on your US passports. Russia treats its citizens as Russian citizens only, so enter and leave Russia on your Russian passports and carry both. We do not advise on Russian law or consular matters.

What to do next

1. Social Security: update your names and citizenship status in person.
2. US passports: Form DS-11, in person, with the original certificates.
3. Driver's licenses, employer, banks, mortgage, insurance, voter registration.

Our files for both N-400 applications are now closed. We keep copies for seven years.

Sincerely,

Inna Volskaya, Esq.
